How can I apply for public housing/affordable housing/a housing voucher?

These waitlist applications are separate from the Coordinated Assessment process. To apply for these housing programs, you must apply directly to the individual program:

Public Housing & Section 8: Go to www.Austin.apply4housing.com and submit your information. You must apply separately to every property you are interested in, and the Section 8 Waitlist is currently closed. If you previously submitted an application for any of these programs, go to www.hacanet.org/waitlists to find out where you are on the waitlist.
