About ECHO

Mission

To provide dynamic, proactive leadership that engages policy makers and the community to end homelessness.

Vision

A community fiercely focused on ending homelessness.

About

The Ending Community Homelessness Coalition (ECHO) is a non-profit that plans, develops, prioritizes, and implements systemic, community-wide strategies to end homelessness in Austin and Travis County, Texas. Together with its community partners, ECHO uses strategic, data-driven decision making and, bold thinking to transform the system to end homelessness.

ECHO is elected locally and recognized by the U.S. Department of Housing and Urban Development (HUD) as the Continuum of Care (CoC) lead agency, the local leader in coordinating the system of housing and services for persons experiencing homelessness. ECHO is also designated as the lead agency for the Homeless Management Information System (HMIS), a system-wide database that tracks the needs of households experiencing homelessness, services received across the community, and their outcomes.
