April 29th Agenda

Agency Updates

Wrap Up – Next Call: Friday, May 1st @ 9:00am

Meeting Notes:

COA - Laura Foss

- 1539 confirmed COVID-29 cases in Travis County; 406 recovered; and 42 deaths
- Demographic information on cases available at http://www.austintexas.gov/covid19

  - At least 37 individuals experiencing homelessness have tested positive, including 21 that have recovered.
    - The count of cases among people experiencing homelessness is likely an undercount due to private labs and providers not necessarily recording each person’s housing status when they test.
  - Austin Public Health launched an online enrollment form for COVID-19 testing
    - Form will allow people to take self-assessment to determine eligibility and schedule a test without a medical provider
    - http://www.austintexas.gov/covid19
      - Click “self-assessment” button to create an account and complete the questionnaire
  - Order from Austin/Travis County Health Authority stating everyonemust wear a fabric mask when outside the home or in public
    - Physical distancing of at least 6 feet between individuals in still in affect
